

Paco Carpets - Greenside

- Metal halide downlight
- The body is made in die-cast aluminium with an aluminium reflector
- Available in both a symmetric or asymmetric version
- The Limit range utilises 35W, 70W and 150W single ended metal halide lamps
- Easy lamp maintenance with detachable reflector (fig.1a) and attached wire to hold the reflector in place (fig.1c)
- Remote control gear required
- Can be installed on normally flammable surfaces
- Class 1
- IP 20
